Benefits Of A Lifetime License

California's Lifetime License Program offers dedicated hunters and anglers an opportunity to enjoy a lifetime of fishing and hunting. Our license program offers you:

- A lifetime of basic fishing and hunting license privileges (tag and stamp privileges are available for an additional cost), even if you move out of State
- Protection against future fee increases

Who Can Buy A Lifetime License?

Any California Resident! The price varies, depending on your age. (See reverse side for details)

What Your Lifetime License Includes

Three types of lifetime licenses are available:

- The *Lifetime Sport Fishing License* includes basic fishing license privileges
- The *Lifetime Hunting License* includes basic hunting license privileges
- The *Lifetime Sportsman's License* includes both basic fishing and hunting license privileges

Additional stamps and tags can be purchased separately each year, or they can be purchased in one or more of the following packages:

Additional Fishing Privileges: For \$245, this includes a bay-delta sport fishing enhancement stamp, second-rod stamp, salmon punch card, steelhead report card, and ocean enhancement stamp every year for the rest of your life.

Additional Bird Hunting Privileges: For \$210, this includes a California duck stamp and upland game bird stamp every year for the rest of your life.

Additional Big Game Privileges: For \$445, this includes one deer tag application and five wild pig tags every year for the rest of your life.

How Do Lifetime Licenses Help Fish And Wildlife?

Your purchase of a lifetime license provides the Department with a permanent and continuous source of funds for the management and protection of fish and wildlife for many years to come. The fees from the purchase of a lifetime license are deposited into a dedicated, interest-earning trust account. Each year, we receive an amount equal to one annual hunting or fishing license fee multiplied by the number of persons holding those lifetime licenses. As time passes, the account continues to earn interest, ensuring there is enough money for the program to continue.
